Dear Friends,

I have been honored to serve as your State Representative for the past two years. Our work together has yielded PROVEN RESULTS FOR KONA... more than \$50 million dollars for Kona roads, schools and healthcare. This was Kona's best year ever.

In the coming two years, with your blessing, I will continue this work on your behalf, making sure that Kona receives its fair share of resources.

As the only physician in the legislature I have been tasked by my colleagues AND the Governor with finding a way to achieve affordable, accessible and quality healthcare for all the people of Hawaii. This will be my mission in the coming years.

Thank you for your friendship and your support.
